## PERSONAL.

Chow Jackson's last Sweet Mary, Tobacco, City Council to-night.

Chattanooga is to have a visit from McKee-Rankin and "The Danites" next Wednesday night.

The manufactured ice season will soon be at an end, and being compelled to give way to the native ice.

Chestnuts are selling at 15 to 20 cents per bushel in Johnson county, according to the *Greenville Democrat*.

There are about two hundred ear loads of iron ore at the Maryville depot awaiting shipment, says the *Democrat*.

Wm. Waldron went up to New Market yesterday evening to attend the District Conference of the Zion Church, colored.

The Maryville *Democrat* is informed that David Miller, of Blount county, has an apple tree bearing a second crop of apples which are now maturing.

There were aboard the noon train yesterday a number of ministers and delegates on their way to the Cumberland Presbyterian Synod which met at London yesterday.

Jonesboro Journal: The case of S. B. Ellis vs. John R. Spurgin was tried at Greenville this week, and a verdict found in favor of the plaintiff. The costs and judgment amount to over \$1,000.

We are glad to learn that Mr. Tom Lyon, who has been lying so low for several weeks, with typhoid fever, is slowly but thought to be surely recovering, though it will be some time before he is out yet.

Maryville Democrat: Capt. Frank Post, of Knoxville, and Capt. W. H. Kirk, of this place, on last Saturday killed forty-six birds. Good "on the wing" shooting for one-half day, where birds are scarce.

Greenville Democrat: A little son of Mr. John Peters, about three years of age, was accidentally killed on last Monday, the 23rd inst. The child climbed upon the wood pile, the wood rolled with him, a large stick rolling across him, killing him instantly.

No business of any consequence was entered of record in the Supreme Court yesterday, though the day was consumed in the argument of cases on the Hamilton county docket, which will probably not be completed before the last of next week.

It seems there is about to be a "boom" in the matrimonial business, from an examination of the records in the County Court Clerk's office. A round half dozen marriage licenses were issued from that office yesterday. Is it attributable to the threatened cold spell, or what?

McMullen & Co. Are prepared to furnish any No. of Dunbar's Ladies', Misses' and Children's Shoes.

Any one wishing Misses' or Children's Shoes will save money by going to McMullen & Co.'s before buying.

Personal.

Col. D. M. Nelson, of Cleveland, is in the city on a visit to his mother.

Mr. Milo McBee, Jr., of Strawberry Plains, was down yesterday on a business trip.

Rev. J. J. Manker and wife, who have been in the city for a week past, attending Conference, guests at the residence of Mr. Wm. Coffman, left for their home at Greenville yesterday evening.

Mr. W. R. Young and his son Archie, of the Knoxville Ice Manufactory, left last night for their home in Maryland, to remain during the winter season.

Maj. Thos. I. Saunders, of the United States Quartermaster's Department, and his wife, are in the city, stopping at the Atkin House.

Messrs. Sam. Thornburgh, Will. Dick and James Meek, Cadets at the University, all of New Market, went up home yesterday evening, to attend the Presbyterian Synod.

Jonesboro Herald and Tribune: Cadet Midshipman V. S. Nelson, of the United States Naval Academy, has been in town for the last few days visiting relatives.

Mr. Jas. Tate, of Washington, D. C., a young gentleman of means, is in our city buying goods. He has just bought out the stock of goods of J. W. Goddard & Co., at Sweetwater, Tenn., and is going to settle there permanently.

Reading by Mrs. L. C. French.

Mrs. French, by request, will give a Reading, at St. John's Chapel, Friday evening, October 24th, 7:30 o'clock. She will be assisted by Misses Lee, Crozier and Leftwich.

Admittance, 50 cents. Children, half price. oct23-24.

Knoxville Fair and Races.

The Knoxville and Charleston Railroad will sell tickets during the Fair, which comes off on the 23rd, 24th and 25th of October, as follows:

Maryville to Knoxville and return, 50 cents; Rockford to Knoxville and return, 40 cents; Tupelo to Knoxville and return, 30 cents; Brainerd to Knoxville and return, 20 cents; Rogers to Knoxville and return, 10 cents. Tickets will be good to return any day during the Fair. Tickets from Maryville all three days, will be sold for \$1.00.

Let the people turn out and see the Fair.—*Maryville Democrat*.

## Blood in the Moon.

The denizens of lower Gay street were aroused from their usual avocations of selling goods and counting money yesterday afternoon by sounds of war on the breeze. Representatives of two great walks in life, Agriculture and Law, unable to agree, were pounding each other. They were parted after Agriculture had received a bloody nose and sundry bruises. Agriculture went up the street and Law went down, under the protection of a Deputy Sheriff. After a little time they got together again, and Law struck Agriculture once more, full on his proboscis, made tender by previous blows. This stout A. could not brook, so he gathered a paving stone and let fly at Law, striking him fair on the cheek. But on account of Law's proverbial brassness the brick-bat flew into a dozen pieces, much the same as if it had been hurled against a stone wall, and left no mark save a little blue spot. Seeing that his brick-bat had been so ignominiously worsted and that his unrelenting foe was on his back, Agriculture took courage in the fact that he was not a valorous man, he could at least be a prudent one, and fled up the street, leaving Law cock of the walk, lord of all he surveyed. Law would probably have followed him and administered a more signal defeat, but W. I. T. L. (which being interpreted is, "whisky in the legs") prevented him. Thus ended the conflict.

A large stock of good Valises, received at H. W. Hall's, and will be sold cheap.

Quaker Tea Party and Entertainment. As has been stated in our columns, the ladies of St. John's Church are arranging to give a "Quaker Tea Party," and Entertainment of Nations, next week. It is to be held in the corner room in the Opera House building, commencing Wednesday night, to continue Thursday, Friday and Saturday nights. The ladies invite members of other denominations, or any other persons, so disposed, to assist them, and to come attired in any kind of ancient costume they may choose. It is desired to have all nations represented, from a Gypsy girl to an Indian, or Zulu chief. It will be something entirely novel, and the ladies are using every exertion to make it entertaining. For the convenience of the gentlemen, they will have a smoking room in the rear. The bill of fare will be on the ticket of admission.

Resolutions on Rev. J. S. Davis. The following resolutions were passed by the Union Presbytery, September 29th, 1879, at Dandridge, Tennessee:

Resolved, That this Presbytery takes greater interest than ever in the particular work which has engrossed Brother J. C. Davis' time as a minister, and do not wish any change in his field, unless it will redound to the welfare of the colored people.

Resolved, That as Brother Davis has shown Christian wisdom in carrying on his work, and seems to have special fitness for organizing churches and securing houses of worship for them, this Presbytery hopes that the way will soon be opened for him to go into new fields and occupy the ground in the interest of the Presbyterian Church.

Resolved, That we assure Brother Davis that he shall have our cordial co-operation and prayers, either in his present work or any other field of Christ where he may be useful.

W. H. Lyle, Stated Clerk.

Mr. Davis has lived in New Market about ten years, and has conducted himself in such a manner as to be highly respected by all denominations, and all parties. During his zealous labors for that length of time, he has secured the erection of four neat church buildings, and several school houses, contributing considerable of his own salary for the same. Besides he has made himself a useful citizen in many other respects.

Fresh Oysters.

By the Can, Quart or Gallon. Some extra large ones for frying. Fresh Cracked, at JOHN HUMBERG'S.

Fleischmann's Compressed Yeast, at 24-1w. PETER KERN'S.

Rubber Hats, at H. W. Hall's.

Shooting Match.

Much interest is being taken in this sport, and a large crowd of spectators will be in attendance. Several gentlemen from Jonesboro and Bristol will take a hand, and we hear of two from Chattanooga. The handsome gun will be on exhibition at some point on Gay street, early next week. It will be worth contending for. An abundance of birds have been provided and will be on hand. The match will be shot at fair grounds the last day of the exhibition next week. Let all intended bear this mind. Glass ball shooting immediately after the pigeon match.

Good Shoes, cheap, at Hall's.

Houses Burned.

On last Saturday night two dwellings in the last district of Washington county were burned. One of these dwellings was the property of Jesse Broyles, an aged but well-to-do man; the other was the property of his son-in-law, Samuel Mark. The houses stood near each other, on the south bank of Nolachucky. Everything was lost except a sewing machine and a bureau. This is a heavy loss. The cause of the fire is unknown. Some of the families narrowly escaped with their lives.—*Herald and Tribune*.

Glycerine Shoe Polish, a new and good thing, at H. W. Hall's.

WHICH IS CHEAPEST

A pack of DEX'S Durham, containing twenty pipe-fills of the best smoking tobacco made, or one common cigar. Each costs ten cents.

## Accidents.

We understand that Mr. Thomas C. Harvey, who lives on Sinking Creek in Washington county, lost the cap of his knee knocked off last Thursday. He was trying to pull his wagon up a bank and slipped and fell, striking his knee against a rock or something else, causing the accident. He was doing well at last accounts.

We are sorry to learn that Mr. Preston Slagle was badly injured last Saturday at Johnson City by the train.

He was lying with his head on the track, apparently asleep, or otherwise unconscious of his danger when a passing engine struck him in the forehead, knocking him off the track, inflicting a very dangerous wound. At last accounts he was doing very well, and hopes are entertained of his recovery.—*Herald and Tribune*.

Cheap Umbrellas, at H. W. Hall's.

The Synod at New Market.

A large number took the train at this place yesterday evening for New Market to attend the East Tennessee Synod of the Presbyterian church which convened in that place at 7 o'clock last night. Among them we noticed Rev. F. E. Sturges, Rev. I. Emory, Dr. Jas. Rodgers, Mrs. C. J. McClung, Mrs. W. F. Cummings, Rev. G. W. LeVere and Pleasant Randle of this city, Revs. P. M. Bartlett and C. B. Lord, of Maryville, and many others. The train was also pretty well crowded with delegates from points below here.

Go to H. W. Hall's for bargains in Shoes and Hats.

Of Any Value.

If the testimony of eminent chemists, and sagacious medical men, is of any value. Dr. Price's Cream Baking Powder is the most perfect made. These men of standing in their professions, not only recommend its use, but endorse it by using it in their own families.

Odd Fellowship.

The Grand Encampment of Tennessee, I. O. O. F., which met in Nashville Monday, adjourned Tuesday. Among other items of business transacted was the adoption of amendments to the Constitution, consolidating the Grand Encampment and Grand Lodge; and also changing the time of meeting from annual to biennial.

The officers were all re-elected, and are as follows:

Marion Jones, of Memphis, Grand Patriarch.

F. S. Smithson, of Pulaski, Grand High Priest.

H. J. Brady, of Spencer, Grand Secretary.

J. R. Harwell, of Nashville, G and Scribe.

W. A. Barry, of Nashville, Grand Treasurer.

G. W. Gregory, of Newbern, Grand Junior Warden.

The Grand Patriarch made the following appointments, and these names were duly recorded:

G. McFie, of Nashville, Grand Sentinel.

George F. Floyd, of Nashville, Grand Herald.

Never Returns.

It is said that one out of every four real invalids who go to Denver, Col., to recover health never return to the East or South, except as a corpse. The undertakers, next to the hotel keepers, have the most profitable business. This excessive mortality may be prevented and patients served and cured under the care of friends and loved ones at home, if they will but use Hop Bitters in time. This we know. See other column.

Washington County Bible Society.

The annual meeting of this organization took place on last Sabbath in the M. E. Church, South, at Jonesboro.

The attendance was very good.

The meeting was opened by the reading of the 1st Psalm by Col. T. H. Reeves, Chairman of the Executive Committee, and prayer by Dr. Royal, after which short addresses were made by Revs. W. B. Stradley, D. O. Byers, and Dr. J. F. B. Mays.

The Society then proceeded to the election of officers for the ensuing year, which resulted as follows:

President, H. F. Fennell; Secretary, D. O. Byers; Treasurer, John S. Mathes.

Executive Committee—F. W. Earnest, D. J. Gibson, J. F. Gibson, T. H. Reeves, E. L. Dandridge, M. S. Mahoney, R. H. Dingus.

The pastors of the various churches were added to the committee as ex-officio members.

A very interesting report of the work of the Society since its reorganization, was made by the Chairman of the Executive Committee.

The meeting was interspersed with excellent music.

M. J. Earnest spoke briefly, showing the magnitude and importance of the work which has been accomplished in the county.

A collection was taken up amounting to \$11.25.

Closed with doxology and benediction. D. O. BYERS, Secretary.

Jonesboro, Oct. 20.

Our city druggists are reporting an unprecedented demand for "Snayder's Curative Paste." It would seem that everybody and his wife were using them, from the great number sold in Knoxville. They are just the thing to cure those diseases they claim to cure. oct19-d&wtf.

## Death of John Brown.

John Brown, who for a number of years has been raiding on the lower South, was killed at Birmingham, Alabama, last Friday night. It seems that he was between two cars making a coupling, when his foot was caught under a bar of iron and he was thrown under the train, killing him almost instantly. Brown was a Washington county boy, and the news of his death will be sad intelligence to his many friends living here.—*Jonesboro Herald and Tribune*.

The False Notion.

It is the minds of many otherwise intelligent people as to the requirements of a disordered stomach or liver. The swallowing of nauseous and powerful drugs is the way to encourage, not to cure dyspepsia and liver complaint. Nor can a constipated or otherwise disordered condition of the bowels be remedied by similar treatment. That acids and thorough stomachic and aperient, Hostetter's Stomachic, which is the reverse of unpleasant, and never produces violent effects, is far preferable to medicines of the class referred to. It infuses new vigor into a failing physique, cheers the mind while it strengthens the body, and institutes a complete reform in the action of the disordered stomach, bowels or liver. Appetite and sleep are both promoted, uterine and kidney affections greatly benefited by its use. It is indeed a comprehensive and meritorious preparation, free from drawbacks of any kind.

The Mormon Murderers Acquitted.

Says the Chattanooga Times of Wednesday:

The trial of one of the Mormon murderers, which has been in progress in the Superior Court of Whitfield county for a few days past, was finished yesterday, and he was acquitted of the charge of murder. This was the test case, and the acquittal of his companions is now also assured. But they are under a double indictment, for murder and also for riot. Now that the first is disposed of, the second indictment will be taken up. It is probable that they will be convicted in this charge.
